2009. You are prepared to go beyond. With all the experiences that you have lived, you are now living beyond. The mission I accepted is to ignite action to go beyond. This year is the year of mastery of going beyond. 2008 was a year of breaking down.

After breaking down mastery of happiness, health and wealth is manifested and sustained. Look at the action that you are doing. Is that action change? Being at the Chapel lets you know that you are going beyond. Living The Principles of the Chapel sustains your mastery.

Creation is forming the invisible to the visible! Being on the Earth Plane is a creation. We all have experienced this creation called birth. Conception is the coming together of two seeds in an invisible realm. The seeds that come together are the male and female which represent the negative and positive polarities. The seeds form the visible. The seeds we have for creation are the same. The formed world is male and female with negative and positive polarity. We are created in the image of God which is imagination. Our thoughts, words and actions are male and female. Thoughts/words are imagination and understanding which are female aspects. Action is will which is the male aspect. Combining these faculties forms the visible. This polarity is not constructive or destructive.

Principles of the United Fellowship Chapel, Inc.

The United Fellowship Chapel, Inc. congregation is one of Prophecy and Healing, having no formal allegiance to any creed, dogmas, or religious doctrine. Our Basic Principles are as follows:

We believe in the Mother/ Fatherhood of God and the Brotherhood of Man. God is infinite intelligence, ever present and the source of all life. Mother/Father God affirms our Brotherhood and the recognition that our true essence is both male and female.

United Fellowship Chapel recognizes that all phenomena, both physical and spiritual, occur within the realms of nature and are manifestations of infinite intelligence.

Jesus applied this law in his life and affirmed "He that believeth on me, the works that I do shall he do also and greater works than these shall he do." (John 14:12)

We believe in the infinite power of Healing, available to all forms of life. Our classes focus on the Healing techniques and principles which when used properly work with the laws of God and Man.

United Fellowship Chapel teaches the Law of Cause and Effect: Every individual is morally self-responsible. We invite you to strive for self-mastery and to achieve your highest spiritual goals. Recognizing the principle of change as a constant in the earth plane, United Fellowship Chapel seeks to help you become aware of your personal patterns for change and to live harmoniously.

The universe is a spiritual system, expressing divine wisdom, making possible the eternal progress of the aspiring soul.

Because wise thought leads to wise action, improvement and reformation of the soul are always possible.

We believe in the continuity of life and the communication there-with. The purpose of this communication is for the betterment of ourselves and the progression of mankind.

United Fellowship Chapel teaches spiritual psychic development for the purpose of "Knowing Thyself" and to be utilized to help those we meet on our paths of life.

We at United Fellowship Chapel, Inc. invite you to learn and apply the principles of life, to recognize the divine energy that gives you life, and to develop your special qualities to their highest potentials, for the good of all people.

CAUSE AND EFFECT

Cause and effect is the foundation of life. For every action there is a cause and an effect. The cause is the effect and the effect is the cause. This concept is paramount in development, teaching and living. If one is unhappy, one has planted an unhappy experience, just as seeds are planted. Whether one is the primary responsible person or someone else is the responsible person for an unhappy experience, the unhappy experience stays unhappy until one replaces it with happiness. That unhappy experience is now in memory which is mental, and will stay there until one chooses to replace this unhappy experience with happiness, health and wealth in our thoughts and actions.

This experience is a thought. Thoughts are seeds. This thought of unhappiness is now a projection (cause). A circle represents a perfect balance of past, present and future. When one thinks of a past experience it becomes the present, giving direction to the future, which eventually becomes the past.

RADIATION AND ATTRACTION:

Like attracts like. One cannot get something for nothing. One attracts what one puts forth. If it is nothing, that is what you get, nothing. One pays for what one gets. If the value is small, the result is small. A thief steals from her or himself. Radiate in order to attract. Sow before reaping. Sow greatness, give full measure and the result will be full. One can always give something. Giving starts action. The result is what one gave. When paying investments (bills) one does not have enough to pay it all, pay what can be paid now. Paying (giving) is radiation and what one radiates one attracts. The law of Radiation and Attraction is always active.

We are where we are because we are what we are and we are what we are because of our habitual thinking, nature of habit and the force of habit. One is a creature of habit. Mind is the link between the formed and unformed. Do not argue, beg, reason, or appeal for your desired good; quietly go about it. Radiate deliberately. Do not look to others or question. Know that prosperity is an innate right. Do it yourself, since others cannot do it for you. Depending on others or questioning stops or slows prosperity. We are magnets. Do not force success, know it will come. One hour of mind concentration equals one month of physical work.

Mother Father God
which art within us
Hallowed be I Am.
Ignite our
understanding that we
are eternal spiritual
beings with the power
to create happiness,
health and wealth in
our lives. Ignite our
understanding that our
choices belong to us
and are the seeds that
create our lives.
Ignite forgiveness of
self, as we ignite
forgiveness of others.
We give thanks for the
power and the glory of
I Am in all. Amen

Mother Father God who art in all
things, hallowed be thy name.
Thy kingdom come, thy will be
done, in earth as it is in heaven.
Give us this day our daily bread.
Ignite in us forgiveness and
understanding of ourselves, so
that we may forgive and
understand those that we meet.
Being aware of our choices we
create everlasting peace, love,
and happiness. We give thanks
for thy kingdom, power, and glory
forever. Amen
