in earth as it is in heaven. Give us this day our daily
bread. Ignite in us forgiveness and understanding
of ourselves, so that we may forgive and understand
those that we meet. Being aware of our choices we
create everlasting peace, love, and happiness. We
give thanks for thy kingdom, power, and glory
forever. Amen

AURA

An aura is a magnetic field that surrounds and penetrates the
body (through the body). We are a magnet. All things have an
aura.

Magnetic - Bi Polar:

Negative polarity is the physical body and its vital organs.
The aura is more dense where those organs are. You can tell
dis-ease!

Positive polarity is the Soul consciousness and self-hood of a
person. God individuality.

The physical body is an electrical force. In order to move the
body, the body needs electricity. The medulla sends electrical
impulses to the heart. The characteristics of those impulses
create dis-ease or ease, which is your character. The aura is the
sum total of this life and other life experiences. Spiritual
development gives added riches in your life.

**THE AURA AROUND THE HEAD IS MORE PRONOUNCED!
WHY?**

• Zeal - Medulla - impulse to heart.

• Will - Center front brain (action).

• Understanding - Front brain.

• Imagination - Third eye area.

• Faith - Center brain.

• Power - throat.

• Love - Heart.

• Life - Solar plexus -gateway to your soul, reproductive organs.

• Judgment - Stomach.

• Order - Solar plexus.

• Elimination - Solar plexus.

• Strength - Base of the spine, small of the back.

• Understanding - Feet.
